

# ALPS

## Associates of Laurelbank Public School Membership Registration Form

The high school memories start fading but they are never going to be obliterated. They stay somewhere down the memory lane and that is why there is often a sense of nostalgia about the “good old days.” Time has brought many changes since your graduation and some of your “best friends forever” have gone on to bigger and better things. Some of you have a family, kids or changed jobs and lost touch with the group that said they would never part. Starting ALPS is a way to keep up with old friends and will be the foundation for reunions and other events in future.

ALPS (Associates of Laurelbank Public School) is a self sustaining organization of the graduates of the school. Its purpose is to provide the members a mode of remaining in contact with one another and the school, thus developing a growing and mutually beneficial network. The school finds pride in the success of its graduates and gains their support while the graduates find satisfaction in being connected to their alma mater and giving something back.

The ALPS will work under the supervision of a presiding body of three, elected by everyone in the network (all officeholders must have graduated at least 5 years ago). The office holders are meant to work in coordination with a nominated faculty member, so as to provide efficient and need-based support.
