Dear Parents,
Assalam-O-Alaikum,

COVID-19 has had a huge impact on our daily lives. While all of us follow 'Social Distancing', it seems vital to stay connected during these unprecedented times. We appreciate your positive feedback and concerns to strengthen this virtual interaction. Likewise, efforts of LSS faculty for switching to e-programmes amidst all adverse circumstances are also acknowledgeable.

Here follows a brief account of activities since March 2020 lockdown:

Assignment uploads: Two sets of assignments were uploaded for the students of classes Mont. – X, XII. All the submitted work has been checked and is in the return process.

Result Declaration: Considering the uncertain circumstances all students were promoted to next classes on 23rd March 2020. With ease in situation, the result was prepared and 'Report Cards' were handed over to parents on 30th May and 1st June for Primary and Secondary Sections respectively.

Holidays Homework: Keeping in view Govt. announcement to consider schools' closure for the Months of April and May as Summer Vacation, Holidays Homework was made available for parents to collect from 5th – 8th May. Holidays Homework guideline videos were also uploaded for students' help and convenience.

For all updates keep following our facebook page and website at the following links.

Stay Tuned

Launching e-Classes: Starting from 1st June WhatsApp groups were created for classes Mont. – X. We tried to reduce students' on screen time posting task lists and video lessons with duration of 20 min. each in the groups. The feedback and response of students speaks of their success.

Interactive Classes Using Zoom App for Pre First Year: We opted Zoom App for teaching Higher Secondary School students where use of screen seems comparatively less harmful. Classes were conducted efficiently receiving a positive response from students.

No Tobacco Day (31st May) was observed by the students of classes VI – X. Supporting the theme “Smoking Kills” featured posters of Noor-ul-Huda IXC Alhamra Town Campus, Tabia Ahsan-ul-Haq VIIIMGA Daroghawala Campus, Hafsa Qamar VIIIMGA and Hajra Umar VIIGD from Shalimar Campus I were selected and posted at our facebook and web pages.

Besides all these LSS team is also working to make on campus life of students more exciting and vibrant. Making a good use of school resources we will soon have a state of the Art, new custom designed turf sports field at our Daroghawala Campus.

Environment Day was celebrated on 5th June. We received a number of videos with recorded messages to save the environment. A beautiful message by Abu Bakar Bin Awais from class IICA Alhamra Town Campus was posted on our facebook page and website feature while few videos made their way to 'LSS Web Gallery'.

Father's Day: Our students made Father's Day special making admirable artistic creations, for their fathers. An exquisite card making video by Zainab Ijaz IXMGB Daroghawala Campus was selected as the best one to be posted on our facebook page. Several such wonderful videos and cards were uploaded on our facebook page and web gallery.

Stay Healthy Stay Safe.

Allah Hafiz!
